CHAIRMAN'S MESSAGE

Dear friends. By God's grace, we are now rounding up another year of serving humanity.

At Al Mustafa Welfare Trust, we are dedicated to alleviating poverty, ending suffering and spreading joy. Since 1983, we have been carrying out life-changing projects for millions of people, helping individuals, families and communities build lives free from extreme poverty and misery.

Last year, your generous donations helped us reach thousands of people and provide hope, happiness and promote good health. We have carried out projects across the globe, including Pakistan, Gaza, Bangladesh and Burma, and responded to emergencies worldwide. This year, we reached a milestone of 100,000 free cataract surgeries. I am particularly moved by knowing that 100,000 people now have the gift of sight thanks to your support of Al Mustafa Welfare Trust. This report celebrates the great work we have done together. Thank you for your heartfelt support, from myself and the team at Al Mustafa.

Global Coronavirus

EMERGENCY AID

Visit: almustafatrust.org Call: +44 (0)20 8569 6444

All the communities we work in around the globe are suffering from unimaginable horrors, such as war, abject poverty or famine. The spread of Coronavirus in these communities will be absolutely catastrophic.

For refugee communities, safety and hygiene precautions will be virtually impossible. They already struggle with having enough food to eat. However, with the outbreak of Coronavirus, these communities will suffer even more as supplies run short, food prices hike and movement is restricted.

Al-Mustafa Welfare Trust has launched an Emergency Coronavirus Appeal to support those who are suffering the most worldwide as a result of the outbreak.

We will be distributing emergency food & hygiene packs to families living in remote, under-developed areas as these are the people who are currently unable to access any food or medicine!

We will also be supporting families living in refugee camps and fleeing war and prosecution from places like Kashmir, Syria and Burma.

Clean Water

When you give water, you give life. Millions of people are living without clean and safe drinking water, putting their lives at risk. Globally, 785 million people lack access to clean water.

Drinking dirty water can cause diseases such as cholera, typhoid and diarrhoea, which kills millions of people every year. Almost 1,000 children needlessly die every single day by drinking dirty, contaminated water. We provide water solutions across 9 countries including Pakistan, India, Bangladesh and Somalia, building electric motor tube wells, manual tube wells, hand-pumps and agricultural wells.

Saad bin Ubadah (ra) narrated. I asked the Prophet of Allah what charity is best? And he replied, 'Giving water to drink'. [Sunan Ibn Majah]

Build Your Palace in Paradise

The Prophet Muhammad (pbuh) informed us that a Palace in Paradise would be awaiting those who build a mosque in this world, Insha'Allah.

Mosques are integral parts of Muslim communities all over the world, giving a space for Muslims to come together to pray, read Qur'an and to socialise. However, many Muslims living in developing countries do not have access to a mosque at all. You can change that.

How you can help

Help Renovate a Masjid

Mosques enable communities to come together and offer Muslims a place to pray, hold weddings and funerals, reconnect and connect with other Muslims.

Fidyah

When someone cannot fast in Ramadan and can't make up the lost days afterwards (for example, because of ill health or pregnancy), then they should pay (fidyah) for someone else to be fed.

How much do I need to pay?

£6 fidyah for each missed fast. This should provide one person with two meals or two people with one meal. If someone misses all the fasts of Ramadan, they would need to pay £180.

Kaffarah

Kaffarah is the compensation that you must pay if you deliberately miss or break a fast in the month of Ramadan without a valid reason.

What is the required payment?

To atone for the missed/intentionally broken fast, a person must fast continuously for 60 days.

If they are unable to do that, then they have to feed 60 poor people at a rate of £6 per person (the cost of an average meal in the UK). This amounts to £360 kaffarah for each missed/intentionally broken fast.

£6 per fast and £180 for whole month.

£360 for each missed or broken fast or two months continuous fasting with no break in between
