Change Lives this Ramadan

CHAIRMAN'S MESSAGE

Dear friends. By God's grace, we are now rounding up another year of serving humanity. At Al Mustafa Welfare Trust we are dedicated to alleviating poverty, ending suffering and spreading joy.

Since 1983, we have been carrying out life-changing projects for millions of people; helping individuals, families and communities build lives free from extreme poverty and misery. Last year, your generous donations helped us reach thousands of people and provide them with hope, happiness and good health.

We have carried out projects across the globe, in places like Pakistan, Gaza, Bangladesh and Burma, and where we have responded to emergencies and built livelihoods, helping communities break free from poverty. This year, we reached a milestone of 123,000 free cataract surgeries.

I am particularly moved by knowing that 123,000 people now have the gift of sight thanks to your support of Al Mustafa Welfare Trust. This report celebrates the great work we have done together.

Thank you for your heartfelt support, from myself and the team.

Yours sincerely,

Chairman
Al Mustafa Welfare Trust

EMERGENCY AID

Since March 2020, we have been striving to lighten the burden of those most impacted by the ongoing coronavirus crisis.

We've mobilised our global teams in 11 countries to help vulnerable families worldwide. With your help, we're distributing food parcels and providing PPE to those most in need, ensuring struggling families are protected from hunger, malnutrition and the spread of illness.

Al Mustafa Welfare Trust works in 11 countries worldwide. Our staff on the ground in these countries are geared up to provide lifesaving medical care and boost preventative action to minimise the risk of disease. As Covid-19 impacts more communities around the world, our teams are running health clinics, providing hygiene kits and access to sanitation.

Our response to the pandemic

Food Distribution (Jan-Dec 2020)

Good hygiene saves lives.

Al Mustafa Welfare Trust is encouraging all local communities to take extra care during this period and follow their governments' official medical advice.

This includes:

Washing hands regularly and thoroughly with soap

Putting used tissues in the bin and washing hands immediately

Avoiding touching one's face.

Avoiding close contact with people who are unwell.

Covering one's mouth and nose with a tissue or sleeve when coughing or sneezing.

"And whoever saves one life it would be as if he saved all of mankind"

Over 1 in 4 people struggle with their eyesight, and a staggering 39 million people are blind.

Without proper eye care, millions live in darkness, even though 80% of all blindness can be cured. We're working across the world to bring back the gift of sight for people living within impoverished communities.

Thanks to your support, we have completed over 123,000 cataract surgeries for free, and helped millions more with glasses, medicine and treatment.

This year we achieved increased results in almost every area of our activity and reached more people than ever before.

Our Eye Hospital

Al Mustafa Welfare Trust has established a specialist eye hospital in Lahore, Pakistan. Our hospital is one of a kind, providing expert healthcare free of cost for those most in need.

We are currently serving 200 patients every single day. At our hospital, we work with world-class doctors and treat a whole range of eye health conditions, truly benefiting vulnerable people living in poverty.

Qualified eye specialist surgeons and doctors using the latest techniques to provide excellent medical care and performing critical operations; helping restore the sight of hundreds of people each day. Our hospital is fully equipped with excellent medical machinery and equipment.

Whilst our eye camps are brilliant at saving sight, we are often dependent on weather conditions and location.

Although our services are good, we are unable to operate on children or provide specialist support that is sometimes required. At our hospital, we can offer tailored support with expert medical professionals and treat complex cases.

Our hospital also means that patients are welcome to visit us whenever they need help. This allows us to treat blindness a lot earlier; preventing longer lasting damage and averting a wider impact to the lives of the people we are helping.

We are currently
serving **200 patients**

HOW WE SET UP EYE CAMPS

1 >>>

A month before we start, we place adverts in local papers, community centres, at mosques, on radio and TV.

2 >>>

We conduct eye screening to determine who requires medication, lenses, surgery or hospital referral.

3 >>>

Those fit for surgery receive five additional tests for Hepatitis B and C, HIV, blood pressure and diabetes.

4 >>>

Surgery is performed and patients are provided with food and accommodation for the day to aid recovery.

5 >>>

The next day, we carry out the first operative review, then remove bandages and discharge the patients.

6

A week later a follow up camp is arranged and the on-site surgeons ensure the patient's eye sight is restored.

When you give water, you give life. Millions of people are living without clean and safe drinking water, putting their lives at risk. Globally, 785 million people lack access to clean water.

Drinking dirty water can cause diseases such as cholera, typhoid and diarrhoea, which kills millions of people every year. Almost 1,000 children needlessly die every single day by drinking dirty, contaminated water. We provide water solutions across 9 countries including Pakistan, India, Bangladesh, and Somalia, building electric motor tube wells, manual tube wells, hand-pumps and agricultural wells.

Disaster can strike anytime, anywhere. It can cost lives and ruin entire societies.

Natural disasters affect around 160 million people worldwide, and around 2 billion people live in high-risk area. In times of crisis and disaster, Al Mustafa Welfare Trust provides fast, effective emergency aid; food, water and healthcare to those affected.

Myanmar

Since 2012, we have been providing life-saving aid to internal refugees in Rakhine State, Myanmar.

We have also been supporting thousands of Rohingya refugees in Cox's Bazaar since August 2017. We have done a variety of work including providing food, clean water, shelter, medical camps, empowerment projects and funding ambulances.

Syria

Over 9 years of war has left more than 13 million Syrian people in need of urgent humanitarian aid.

Millions of people don't have access to clean water, and Syria's medical infrastructure is on the brink of collapse. 2.8 million Syrian children are not in school and are missing out on the education they need. With your donations, we have been providing cash grants to Syrians to pay for shelter or buy much needed necessities such as food, clothing and bedding. We have also been providing food parcels and medical supplies to as many Syrian refugees as possible.

How you can help

Yemen

Yemen is facing the worst humanitarian crisis of our time.

The UN has called it, "the worst famine this century", and the death toll from starvation is nearing 100,000 people already - tragically, that figure includes 85,000 children.

Our expert teams are working with Doctors Without Borders and are providing emergency food packs to Yemeni people in mortal danger. So far we have helped over 80,000 people.

£55

Will provide a food pack for a family for one month, including rice, flour, sugar, tea and cooking oil.

Education for all

We aim to build primary schools in remote locations, as every child deserves the right to an education.

We are supporting several schools in Gaza, Pakistan and Bangladesh, making education accessible to hundreds of children. We are also providing hundreds of pupils with stationary, books and bags.

We have 5,988 students studying in 17 schools

School Maintenance

As well as building schools, we work to support and strengthen those schools already functioning but are poorly maintained.

Feed 100,000 Ramadan Challenge

Nobody should go hungry, and especially not during the blessed month of Ramadan. Together we'll be feeding people across Pakistan, Syrian Refugees, Gaza, Yemen, Africa as well as the Rohingya refugees in Bangladesh.

We want to provide 100,000 people with healthy, nutritious food for the month of Ramadan. 99% of the world's malnourished people currently live in developing countries. They are food insecure, unsure where their next meal will be coming from, and suffer from the debilitating effects of hunger and starvation.

Malnutrition can lead to stunted growth, sight problems, diabetes, heart disease and other serious issues. It is one of the world's biggest killers. Nearly 50% of deaths in children below the age of five are due to the effects of malnutrition. It doesn't need to be this way.

Winter Distribution

For countless people across the globe, winter is a fight for survival.

Without warm clothing, shelter or hot food, winter can be deadly; millions are at risk every year.

We work in Pakistan, Bangladesh, Burma, Somalia, Gambia and Gaza to provide life-saving assistance and help families through the brutal winter months.

In winter we also provide fuel for heating, distribute hygiene kits, provide winter protective clothing and deliver essential food packs.

Build Your Palace in Paradise

The Prophet Muhammad (pbuh) informed us that a Palace in Paradise would be awaiting those who build a mosque in this world, Insha'Allah.

Mosques are integral parts of Muslim communities all over the world, giving a space for Muslims to come together to pray, read Qur'an and to socialise. However, many Muslims living in developing countries do not have access to a mosque at all. You can change that.

Feed the Fasting in Al Aqsa

Every Ramadan, Al Mustafa Welfare Trust is organising daily iftar meals in Bait-ul-Muqadas so that those in need can open their fast with nutritious food.

In Palestine, access to food is scarce, largely due to poverty rather than a shortage of food. This means that nourishing food is simply not accessible to many people living in the area – 1.6 million Palestinians struggle to obtain the sustenance they need on a daily basis due to low wages and high prices.

Fidyah & Kaffarah

Visit: almustafatrust.org Call: +44 (0)20 8569 6444

Fidyah

When someone cannot fast in Ramadan and can't make up the lost days afterwards (for example, because of ill health or pregnancy), then they should pay (fidyah) for someone else to be fed.

How much do I need to pay?

£6 fidyah for each missed fast. This should provide one person with two meals or two people with one meal. If someone misses all the fasts of Ramadan, they would need to pay £180.

Kaffarah

Kaffarah is the compensation that you must pay if you deliberately miss or break a fast in the month of Ramadan without a valid reason.

What is the required payment?

To atone for the missed/intentionally broken fast, a person must fast continuously for 60 days.

If they are unable to do that, then they have to feed 60 poor people at a rate of £6 per person (the cost of an average meal in the UK). This amounts to £360 kaffarah for each missed/intentionally broken fast.

£6 per fast and £180 for whole month.

£360 for each missed or broken fast or two months continuous fasting with no break in between.
