But Not Just Another Water Well
785 million people are living without clean and safe drinking water and are forced to drink water so dirty that it could kill them.

Almost 1,000 children needlessly die every single day by drinking dirty, contaminated water, which spreads diseases such as cholera and typhoid. We provide clean water across countries like Pakistan, building electric motor tube wells, manual water wells, hand pumps, solar community water wells and water purification plants.

52 Mosques Renovated
BUILD A MOSQUE

The Prophet Muhammad (pbuh) informed us that a palace in paradise would be awaiting those who build a mosque in this world, Insha'Allah.

The Mosque is an essential pillar of the Islamic community, however many Muslims living in developing countries do not have access to a mosque. By supporting Al Mustafa Welfare Trust’s build a Masjid project, you will be actively helping to establish an important centre for worship for vulnerable communities in Asia and Africa.

HELP RENOVATE A MASJID

We also renovate existing Mosques, providing valuable new facilities and amenities that benefit the entire community.

It is a wonderful experience to go to the Mosque regularly to pray alongside your brothers and sisters. Now you can give less fortunate Muslims the same experience by providing safe, clean, dedicated prayer spaces and facilities.

24.9 million people worldwide are trapped in forced labour around the world, a form of modern slavery. After taking a loan in a desperate situation, people are forced into working as bricklayers, earning as little as £1 a day.

Most or all the money they earn goes to pay off their loan, and although they work tirelessly in unsanitary and dangerous conditions, their debt continues to grow, and entire families get trapped in this form of bonded labour.

Helping Yemen

Yemen has experienced famine, disease and catastrophic conflict for over 8 years, with 4.3 people left to struggle as refugees. Many are living in unsanitary and overcrowded internally displaced persons’ (IDP) camps. With no access to food, clean water nor healthcare children are dying every day and thousands are sinking into malnutrition or facing deadly diseases.

We have been providing emergency aid in IDP camps in Yemen and are also committed to developing the IDP camps further through sustainable projects like bread bakeries, deep water wells, housing projects, medical clinics and more.

**FIDYAH**

When someone cannot fast in Ramadan and can’t make up the lost days afterwards (for example, because of ill health or pregnancy), then they should pay Fidyah.

Fidyah costs £6 per each missed fast, which provides two meals for a person in need. For the whole month of Ramadan, Fidyah is £180 for a whole month.

---

**KAFFARAH**

Kaffarah is the compensation that you must pay if you deliberately miss or break a fast in the month of Ramadan without a valid reason.

To atone for the missed/broken fast, a person must fast continuously for 60 days. If they are unable to do so, they must feed 60 poor people at a rate of £6 per person, which is the cost of an average meal in the UK.

---

**£6** per fast and **£180** for whole month
